Continuation of Substance of Interview including description of the general nature of what was discussed: On 6/6/2005, the attorney contacted the examiner to point out that the wrong amendment had been sent with the serial number of the instant application. After review, the examiner concurred and the finality of the last action will be withdrawn and the amendment removed from the case. The added material in the amendment of 6/29/2005 regarding the relationship between the height and diameter is new matter and will be removed from the claims and specification by examiner's amendment. A 112, second paragraph deficiency in claim 21 will also be corrected by examiner's amendment. .
